

# Product data sheet

VGA

---

## Reference number

---

MA LS 1102 SW

## VGA

with supporting frame, screw fixing only

## Spare part:

adapter 3 ref.-no.: MA 1000 AD 3

## Technical data

Resolution:	$\geq 800 \times 600$ pixels $\leq 1280 \times 1024$ pixels S-VGA compatible
Frequency range:	$\leq 160$ MHz
Contact resistance:	$\leq 30$ m $\Omega$
Insulation resistance:	$\geq 1000$ M $\Omega$
Electric strength:	AC 500 V ~ (50/60 Hz) at 1 min 2 mA
Insertion forces:	43.9 N
Removal forces:	3.92 N
Insertion/removal cycles:	$\geq 500$
Terminal:	15-pole D-sub, 180°
Installation depth:	5 mm
Ambient temperature:	-5 ... +45 °C
Installation note:	Installation into deep wall box

## Thermoplastic (breakproof) high-gloss

## Colour:

black

## Material:

thermoplastic

**P** Colour printing possible
