

# Product data sheet

VGA

---

**Reference number**

---

MA LS 1102

**VGA**

with supporting frame, screw fixing only

**Spare part:**

adapter 3 ref.-no.: MA 1000 AD 3

**Technical data**

Resolution:	$\geq 800 \times 600$ pixels $\leq 1280 \times 1024$ pixels S-VGA compatible
Frequency range:	$\leq 160$ MHz
Contact resistance:	$\leq 30$ m $\Omega$
Insulation resistance:	$\geq 1000$ M $\Omega$
Electric strength:	AC 500 V ~ (50/60 Hz) at 1 min 2 mA
Insertion forces:	43.9 N
Removal forces:	3.92 N
Insertion/removal cycles:	$\geq 500$
Terminal:	15-pole D-sub, 180°
Installation depth:	5 mm
Ambient temperature:	-5 ... +45 °C
Installation note:	Installation into deep wall box

**Thermoplastic (breakproof) high-gloss**
**Colour:**

ivory

**Material:**

thermoplastic

**P** Colour printing possible
