
80040001

easy

IP20

°C

Bus coupling unit flush-mtd, ext. temp. sensor, KNX

Technical characteristics

Architecture	
Fixing mode	flush-mounting
Materials	
Material	Plastic/metal
Connection	
Number of contacts	4
Safety	
Protection index IP	IP20
Protection	with dust protection flap for user interface (AST)
Use conditions	
Operating temperature	-5...45 °C
Identification	
Designation syntax: Main application	system-/easy link
Designation syntax: Core designation/function	Bus coupling unit
Application, usage	KNX - system units
